

# Langel Probus Club Witney

## Twice-monthly meetings are held at the Windrush Leisure Centre

at 10.00am on the second and fourth Wednesdays of each month

The Langel Probus Club is a social club for retired or semi-retired men with a business or professional background.

At each meeting there is a speaker: the subjects vary greatly and are always interesting. There is an optional programme of visits to places of interest and entertainment; visits are open to partners and friends. It is not a luncheon club but once a month there is an opportunity to join members, partners and friends for an inexpensive lunch at a local venue.

Prospective members, whether long standing residents or recent arrivals to the area, are made welcome and are invited to attend three meetings before deciding about membership.

**If you are interested in joining please contact the Secretary, Ron Lee, on 01993 702610.**
